Operator

Date

Morrow SWCD Representative

Date

The above signed operator hereby requests the use of the Morrow Soil and Water Conservation District (hereinafter called the MSWCD) no-till equipment. Said Operator agrees to cooperate with the MSWCD in scheduling timely field planting or other field work giving due consideration for other users and the weather conditions.

The above signed Operator will transport the equipment only during daylight hours from the previous work sight to the Operator's work site. The Operator hereby agrees to use the equipment immediately, weather permitting, and upon completion of the work, the operator agrees to immediately notify the MSWCD with the beginning and ending acre meter readings. In the event of any type of breakage or malfunction of said equipment, the Operator is responsible to contact the MSWCD before attempting to make any repairs. In addition, when the Operator has completed work with the drill, the Operator is responsible to return the drill to its original condition. A \$50.00 cleaning fee will be charged if the drill is returned with excessive seed, mud, or other debris in the seed boxes. Drills should not be transported in excess of 25 MPH on roadways.

The Operator shall assume full liability and responsibility for damage to or damage caused by said equipment while being used or under the control of the Operator, normal wear and tear is accepted. Should the equipment be damaged while in possession of the signed Operator and should the said equipment be under warranty, MSWCD shall take full advantage of any warranty rights to have said equipment replaced or repaired. The Operator shall maintain liability insurance during the time said Operator uses or possesses said equipment pursuant to this agreement in the amount of \$100,000/\$300,000 or \$300,000 combine single liability. The Operator recognizes that use by the Operator of this equipment is for demonstration and educational purposes and the Operator will not hold the MSWCD, its representatives, and its agents responsible for any loss, damage, personal injury, or liability resulting from the use of said equipment and shall indemnify the MSWCD of any such loss or injury sustained.
